BY-LAW No. 361.

A By-Law to amend By-Law No. 182 of the City of Vancouver, known as a By-Law to provide for the Government and Management of Rates and Rents of the Water-Works System and collection thereof.

WHEREAS it is deemed expedient to amend the above by-law in manner hereinafter appearing: Be it therefore enacted by the Mayor and Aldermen of the Corporation of the City of Vancouver, in open meeting assembled, as follows:—

1. Section 1 of the said by-law is hereby repealed and the following substituted in lieu thereof:—

"1. That the water rates or rents to be charged and payable by consumers for the supply of water to them within the limits of the City shall be those set forth in the schedule hereto annexed, and shall become due and be payable quarterly in advance on the first day of the months of January, April, July and October in each and every year. That all meter rates and manufacturers' rates shall be those set forth in the schedule hereto annexed, and shall become due and payable monthly on the first day of each and every month, save and except water rates for building or other special purposes, which shall be payable in advance when an agreement for the supply has been made at the water-works office. All rates and rents payable hereunder shall be paid at the office of the Clerk to the Water-Works Committee."

2. Section 2 is hereby amended by adding thereto the following:—

"2. That a discount of twenty per cent. shall be allowed on all water rates and rents other than meter or manufacturers' rates paid previous to the day on which they shall become due or within twenty days after, except rates for building or other special purposes, which shall be net rates, payable in advance.

"Provided, always, that on all meter and manufacturers' rates (except in the cases of private dwellings, boarding-houses, restaurants and hotels, when the rate of discount allowed shall be twenty per cent. if paid when due or within twenty days thereafter) a discount of ten per cent. shall be allowed if paid when due or within twenty days thereafter, unless the person or corporation using the water under the meter and manufacturers' rate enters into an agreement with the City not to employ, and does not as a fact employ, any person of the Chinese or Japanese race in and about the business or trade carried on by them, and in and about which the water is used, when the discount shall be twenty per cent."

3. That the schedule of meter rates to the said by-law be and the same are hereby amended by striking out the whole of lines one and two thereof, inserting in lieu thereof the words and figures following:—

"500 to 5,000 cubic feet, 22 cents per 100 cubic feet."

4. That the said by-law be and the same is hereby amended by adding to the said schedule a new rate to be known as "manufacturers' rate," as follows:—

"Up to and including 75,000 cubic feet, 10 cents per 100 cubic feet.

"Over 75,000 and including 200,000 cubic feet, 9 cents per 100 cubic feet.

"Over 200,000 cubic feet, 8 cents per 100 cubic feet.

"The minimum rate shall be \$4.00 per month.

"Provided, always, that the above rates, entitled 'Manufacturers' Rates,' shall apply only to and be payable by manufacturers and companies carrying on the business of manufacturers, and then only upon such manufacturer or company entering into and observing the agreement set out in Schedule 'B' to this by-law.

"In the event of any manufacturer or company violating any of the terms of the said agreement, such agreement shall be absolutely null and void, and such manufacturer shall forfeit the right to receive water at the said manufacturers' rate, and shall not be entitled to the advantages of the said rates for a period of six months from the date of such violation."

5. That the said by-law be and the same is hereby amended by adding thereto a new schedule to be known as Schedule "B," as follows:—

"SCHEDULE 'B.'

"An agreement made this day of , in the year of our Lord one thousand nine hundred, between of the City of Vancouver, in the Province of British Columbia (hereinafter called the 'manufacturer'), of

the one part, and the Corporation of the City of Vancouver (hereinafter called 'the Corporation'), of the other part."

"Whereas the manufacturer is desirous of using water for manufacturing purposes, and to pay therefor after the rate set out in the Schedule to the Water Rates By-Law of the Corporation under the heading of manufacturers' rates, and the Corporation has agreed to charge such rates upon the express terms and conditions hereinafter appearing:

"Now this agreement witnesseth that in consideration of the premises and of the faithful observance and performance of the covenants and agreements on the part of the manufacturer hereinafter contained, the Corporation covenants and agrees with the manufacturer to charge for all water furnished for manufacturing purposes after the rate set out in the schedule to the said by-law under the heading of manufacturers' rates in lieu of the rates denominated in the said by-law meter rates, and for the consideration aforesaid the manufacturer covenants and agrees with the Corporation in manner following, that is to say:—

"1. That the manufacturer shall not, nor will, while receiving the benefit of the said rate, employ, directly or indirectly, in, around, about, or in connection with manufactory or premises in any capacity whatsoever any person of the Chinese or Japanese race.

"2. In the event of the Clerk of the Water-Works Department receiving a complaint, or of the said Clerk of the Water-Works Committee suspecting or believing, that the manufacturer is violating the terms or the spirit of the last-mentioned clause, the manufacturer shall, on being notified to that effect by the Clerk of the Water-Works Department, attend before the Water-Works Committee and prove to the satisfaction of the said Committee, subject to confirmation of the Council, that he has not violated the provisions of the last preceding clause.

"3. In the event of the manufacturer failing to attend upon being notified as aforesaid, or, having attended, failing to prove to the satisfaction of the Committee as aforesaid that he has not violated the terms of this agreement, this agreement shall absolutely cease and determine, and the manufacturer shall not be entitled to water after the aforesaid manufacturers' rate, but shall, from and after the date of such violation, pay the rates contained in the said schedule under the heading of 'meter rate' for all water used by since the date of such violation.

"4. Nothing herein contained shall be construed or deemed to make it obligatory on the Corporation to furnish the manufacturer with water at the aforesaid rate, or at all.

"In witness whereof the parties hereto have executed these presents the day and year first above written.
